PTS Consulting EMEA, November 2009:

PTS Consulting supports Anglia Ruskin University at the UK IT Industry Awards 2009 Event

On 12th November 2009, the BCS 'IT Industry Awards' and Computing 'Awards for Excellence' came together to create a platform for the public and private sectors' IT professionals to celebrate best practice, innovation and excellence.

In the 'Individual Excellence Awards section' Ajay Burlingham-Böhr, Director of Information Systems and Media Services at Anglia Ruskin University was runner-up and Medallist amongst a strong field of 10 finalists in the 'IT Leader of the Year' category.

Roger Hutchinson, Regional Director with PTS Consulting said:

"Ajay's success at this level is excellent news for the HE sector. It clearly demonstrates that ICT leadership in the sector is of the highest professional standard and comparable to the very top UK public and private sector organisations. This is a fantastic achievement. I was delighted to be able to host a table for our University clients at the 12th November awards event, which was attended by 1,900 people at the prestigious Battersea Events Arena. I am sure that you will all join me in applauding Ajay's success."
